This document is for the sole use of the intended recipient(s) and may contain confidential and privileged information. Any unauthorized review, use, disclosure, or distribution is prohibited without the express written consent of the Cal OES Executive Office.

# Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

Report Date:

9/12/2022

Report Time:

1930

## Weather

## Impact

### Monday, September 12, 2022, Day Forecast

Fire	Temperature Low	Wind	Maximum Relative Humidity
Mill and Mountain	Mountain: 58-64°F Mill: 54-62°F	Variable 4-8 mph	Mountain 35-50%; Mill 45-65%
Fairview	60-65°F	Southwest 5 to 10 mph with gusts to 15 mph through late evening becoming northeast 3 to 5 mph overnight.	90-100%
Mosquito	58-64°F	Southwest 5-10 mph through late evening, then turning southeast 3-7 mph	55-65%

### Tuesday, September 13, 2022, Night Forecast

Fire	Temperature High	Wind	Minimum Relative Humidity
Mill and Mountain	Mountain: 70-78°F Mill: 68-74°F	West to southwest 5-10 mph, gusting up to 20 mph	18-28%
Fairview	82-88°F	West to northwest 5-15 mph, gusting up to 20 mph	35-45%
Mosquito	74-82°F, coolest at the higher elevations	Southwest 5-15 mph, locally gusting up to 20 mph	28-38%

Fire		
Mill and Mountain	Weather	Partly cloudy
	Outlook	Locally breezy conditions are expected across the fires again on Wednesday, with lighter winds and even cooler temperatures arriving for late week, also bringing some increase in humidity levels.
Fairview	Weather	Mostly sunny
	Outlook	Winds will become locally breezy in the vicinity of the fire through mid to late week, though with daily gusts mainly 20 mph or less. Temperatures will remain steady in the upper 70s to mid-80s each day through late week.
Mosquito	Weather	An isolated shower or thunderstorm is possible, especially between noon and 1900 hours.
	Outlook	Breezy southwest winds gusting up to 25 mph are expected Wednesday, with continued cooler, more seasonable mid-September temperatures persisting through at least late week as winds gradually diminish.

## Activations

Organization	Type	Activation Level	Operational Period
State Operations Center	SOC	2	A: 0700-1900
El Dorado County	EOC	1	A: 0700 – 1900; B: 1900 – 0700 (minimal staffing)

# Situation Status Report

## CA-ESF 6: Care & Shelter – Department of Social Services (CDSS)

- CDSS received a mission resource task from Placer County for four (4) FAST members to assist at the Sierra College Shelter.
  - Current unmet needs for the Sierra College shelter are accessible shower trailers and FAST members.
  - CDSS is currently coordinating both requests.

# Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

**Report Date:**

**9/12/2022**

**Report Time:**

**1930**

- CDSS deployed one (1) ESC and one (1) Senior ESC to Placer County to assist with a shelter assessment at the Sierra College Shelter.
  - Both ESC and Senior ESC will be demobilizing this evening.

## Shelter Summary as of September 12, 2022, at 0630 Hours:

Fire	County	Location	Address	Type	Status	Overnight Population
Mountain and Mill	Siskiyou	Kahtishraam (Karuk) Wellness Center	1403 Kahtishraam Rd. Yreka, CA 96097	Congregate	Open	0
Fairview	Riverside	Tahquitz High School Gym	4425 Titan Trail, Hemet, CA 92545	Congregate	Open	8
		Temecula Community Recreation Center	30875 Rancho Vista Rd., Temecula, CA 92592	Congregate	Open	8
		Desert Mirage High School	86150 66th Ave, Thermal, CA 92274	Congregate	Closed	0
Mosquito	Placer	Sierra College	5100 Sierra College Blvd. Rocklin, CA 95677	Congregate	Open	66
	El Dorado	Cameron Park Community Center	2502 Country Club Dr., Cameron Park, CA 95682	Congregate	Open	98
		Green Valley Community Church	3500 Missouri Flat Rd., Placerville, CA 95667	Congregate	Open	21
Total					6	201

## California Department of Education (CDE)

### Mill Fire

- All schools are open.

### Fairview Fire

- Hemet Unified School District
  - All schools are open; however, the Science Portable school was destroyed.

### Mosquito Fire

- Alpine County Unified School District closed – Bear Valley Elementary and Diamond Valley Elementary with the total enrollment enrolment of 61 students.
- Lake Tahoe Unified School District closed - Bijou Community, Elevated Digital Learning Academy, Lake Tahoe Environmental Science Magnet, Mt. Tallac High, Sierra House Elementary, South Tahoe High, South Tahoe Middle, and Tahoe Valley Elementary with the total enrolment of 4,947.
  - 9/12 Lake Tahoe Unified schools closed due to air quality.

## Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

**Report Date:**

**9/12/2022**

**Report Time:**

**1930**

- Black Oak Mine Unified School District – Otter Creek Elementary in El Dorado County is closed due to evacuations in Volcanoville. Otter Creek Elementary has a total enrollment of 17 students.
- Foresthill Union [Elementary](#) and Placer Union [High](#) are closed due to employee and school related impacts due to fire which have a total enrollment of [607](#) students.
  - [Auburn Elementary District expressed need for assistance of evacuated staff. CDE reached out to county EOC to connect them.](#)

### Region Reports

---

#### Southern

- Fairview Fire
  - Riverside County Office of Education – five (5) Migrant Head Start Schools closed.

# Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

**Report Date:**

**9/12/2022**

**Report Time:**

**1930**

## CA-ESF 2: Communications

### Cal OES TACCOM

#### Fairview Fire

- Pre-positioned Cal OES TACCOM equipment at San Luis Obispo County SO, San Bernardino County SO, Cal OES Southern Region (Orange County / LA County), San Diego County (La Mesa FS # 13) and PSC (Escondido) San Diego County and Riverside County.

#### Mosquito Fire

- There is a FirstNet COLT set up at the Mosquito Fire Law ICP.
- TACCOM deployed 30 APX radios in support of evacuations.
- TACCOM/ESF2 continues to monitor and support as needed.
- Deployed (6) nighthawks for two shelter locations for El Dorado County. ([On Scene](#)).

## CA-ESF 15: Public Information

### Cal OES, Office of Public Information

- [NSTR](#)

### Region Reports

#### Southern

- Fairview Fire
  - [County Environmental Health and Riverside University Health System \(RUHS\)-Public Health](#) are working on public messaging regarding PPE recommendations for the residents.
  - [Emerging information and guidance will be posted on the RivCoReady website once available.](#)
  - Public Information Officers are requesting the public to follow the Fairview Fire on their social media pages via CALFIRERRU. For updated information the public can also follow: <https://linktr.ee/IMT6> for more information.

## CA ESF-3: Public Works and Engineering

### Cal OES Dam Safety Planning Division

- Mosquito Fire/ Ralston Afterbay Dam:
  - The fire is working its way in all directions through the watershed. It is threatening the Placer County Water Agency's (PCWA), Foresthill Office.
  - Currently their SCADA monitoring system is working, however, they believe it may be lost soon. Once they lose their SCADA systems, they won't be able to provide updates until the fire is under control and they can access their facilities.

## Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

Report Date:

9/12/2022

Report Time:

1930

### CA-ESF 7: Resources – Cal OES Disaster Logistics and Department of General Services (DGS)

#### Disaster Logistics

The following commodities are prepositioned for the Mill Vegetation Fire:

Content	Cal OES 48' Trailer (#2890)	Cal OES 48' Trailer (#2886)
Standard cots	324	360
AFN cots	63	15
Blankets	840	840
MREs: 2,304	2,304	2,304
Water (Liters)	1,920	3,840
Pallet jack	1	1

#### SOC Operations Mission Tasking

Action Required	Coordinating	En-Route	On-Scene	Closed	Canceled	Total*
-	6 (+2)	1 (+1)	4	5 (+2)	2	16 (+5)

\*Total does not include canceled.

#### California Conservation Corps (CCC)

CCC Resources assigned as of September 12, 2022, at 1530 hours:

Incident	Crews	Type	Personnel
Mountain	3	Fire	83
	3	Camp Support Crews	
	-	Agency Rep	1
Fairview	7	Fire	149 (-15)
	3 (-1)	Camp Support	
	-	Agency Rep	1

## CA-ESF 12: Utilities – California Utility Emergency Association

### California Utilities Emergency Association (CUEA)

#### Mosquito Fire

- As of 9/11/2022, 0800 hours, PG&E had [120 \(-17\)](#) outages in Placer County.

# Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

**Report Date:**

**9/12/2022**

**Report Time:**

**1930**

## Region Reports

### Inland

- Mosquito Fire
  - Georgetown Public Utility District, which is currently in the mandatory evacuation area could be affected.
  - The fire is currently threatening six parks, two county facilities, six fire stations, one medic location, 19 communication facilities, four schools and one airport.
  - [PG&E proactively de-energized 402 homes on Wentworth Springs Road to support fire suppression.](#)
  - [Bear State Water Works is reporting damage to their system in the Volcanoville area.](#)

## CA-ESF 10: Hazardous Materials

### California Environmental Protection Agency (CalEPA)

- CalEPA is monitoring the situation and coordinating with the appropriate Boards, Departments, and Offices.

### California Air Resources Board (CARB)

- Additional portable air quality monitors have been deployed in the communities of Colfax, Woodfords and Coleman, CA.

### Mosquito Fire

- Unhealthy to hazardous Air Quality will continue over foothill areas, including communities in the Grass Valley, Chico, Camptonville, and Chester areas this morning and unhealthy to hazardous Air Quality over the Lake Tahoe region during the afternoon.

### Mill and Mountain Fires

- Smoke impacts will occur mainly east and northeast of the fire, however there will be a minor drifting of smoke southward later in the day. Communities in Modoc County and Klamath Falls should see most of the smoke impacts to today and create air quality in the Moderate to Unhealthy for Sensitive Groups.

### Fairview Fire

- The majority of the smoke impacts today will occur near the Salton Sea and areas to the east of the fire. Communities around the fire area will experience Good to Moderate Air Quality throughout the day.
- Below is an updated contour map estimating the air quality index for PM2.5.

# Situation Status Report

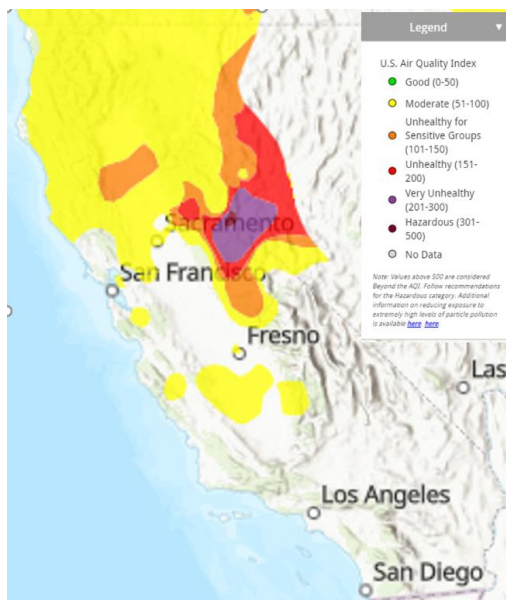

2022 September Wildfires Event and Tropical Storm Kay

**Report Date:**

**9/12/2022**

**Report Time:**

**1930**

- **Messaging Air Quality Information to the Public:** CARB is coordinating communication with public agencies to aggregate information for California communities affected by smoke, at the following site: <http://californiasmokeinfo.blogspot.com/> Air quality data can also be found on a mobile format through The California Smoke Spotter app. The app provides a comprehensive overview of the latest information on projected smoke impacts, current air quality and educational material. Key features of the app include:
  - 24-hour statewide smoke forecasts
  - Personalized alerts that notify users when a prescribed fire will be burning nearby (notifications can be set for multiple locations)
  - Current Air Quality Index (AQI) data to help users make health-based decisions

## California Department of Toxic Substances Control (DTSC) - Household Hazardous Waste (HHW) Removal Summary:

### DTSC Phase I Operations Update

- DTSC will begin Phase I Operations on the Mill Fire in Weed starting on Tuesday, 09/13/22. The Mill Fire dashboard will be operational prior to initiating Phase I Operations.
- The Mill Fire public dashboard is now operational and indicates 116 impacted parcels.

### Water Board (SWRCB)

- The Water Board continues to monitor drinking water and wastewater facilities in the impacted areas for any issues or unmet needs.

## CA-ESF 14: Recovery

### Individual Assistance

Local Assistance Center (LAC)					
Fire	Location	Dates	Hours	State Agencies On-site	Households Served

------	---	-------------------------------	---	---	--

## Public Assistance

### Mill Fire

- [FMAG 5450](#)
  - Reaching out to Siskiyou County for FMAG applicant briefing (to be held 30 days after close of incident period).
    - Gathering a preliminary list of briefing invitees.

### Fairview Fire

- [FMAG 5451](#)
  - Monitoring, will reach out to Riverside County for FMAG applicant briefing.
    - Gathering a preliminary list of briefing invitees.

## Watershed Taskforce (WSTF)

### Mill Fire

- A watershed mission is tentatively scheduled for this Thursday, 9/15/22. In collaboration with the Department of Water Resources and (DWR) and CCC, WSTF will be implementing emergency protective measures such as straw wattle, compost sock, and silt fence for the purpose of preventing migration of hazardous waste from burned structures into waterways.

### Fairview Fire

- Fairview Fire has potential to meet or exceed debris flow precipitation thresholds from 1300 to 1900 today, per NWS San Diego 0900 Burn Scar Debris Flow Briefing.

## Region Reports

### Inland

- Mill Fire
  - Lake Shastina Public Works lost one septic lift pump building and infrastructure. They are working on damage assessment and cost for replacement.
  - Working with the City of Weed and waiting for damage assessments.
- Mosquito Fire
  - El Dorado OES is starting to gather their IDEs.
  - [CAL FIRE's initial DINS report showed there are currently 22 residences destroyed.](#)

### Southern

- [Riverside County began Recovery activities on 09/12/2022.](#)
  - [Three \(3\) Safety Assessment Task Force \(SATF\) teams are being deployed to impacted areas starting 09/13/22 at 0800 hours.](#)
  - [SATF teams are comprised of employees from the following county departments and supporting agencies:](#)

## Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

**Report Date:**

**9/12/2022**

**Report Time:**

**1930**

- Emergency Management Department (EMD); Transportation and Land Management Agency (TLMA); Housing, Homelessness Prevention and Workforce Solutions (HHPWS); Riverside University Health System – Behavioral Health (RUHS-BH); Environmental Health; American Red Cross; Waste Management; Office on Aging; and Animal Services.
  - The objective is to assess damage at residences that have been impacted.

### Cal OES Business Operations Center

- The Business Operations Center continues to distribute a daily report to its private sector and nonprofit partners on the ongoing 2022 September Fires.
- In coordination with partners at [Philanthropy California](#), multiple funds have been established to accept monetary donations for wildfire response and recovery. Currently, there are 13 targeted funds representing numerous local and statewide community foundations and nonprofit organizations for wildfire relief. Potential donors are encouraged to visit Philanthropy California's website for additional options to consider when making a financial contribution.
- The BOC received outreach from the Inland Region – Placer County ESC concerning assistance and advise on donations management for Placer County's response to the Mosquito Fire. The BOC has tentatively scheduled a coordination call between Cal OES, California Volunteers and Placer County on Monday 9/12/22.
- The BOC and Inland Region staff held a coordination call between ESF-17 Volunteers and Donations Management partners from Cal OES, California Volunteers, Placer County and the Placer County Community Foundation on Monday, 9/12/22. During the call best practices for in-kind and monetary donations management for response and recovery to the Mosquito fire were discussed.

### Office of Access and Functional Needs (OAFN)

#### **Mosquito Fire**

- OAFN is collaborating with the CDSS DSB and other ESF 6 partners to promote independence and self-determination by providing supports and working collaboratively for integrated shelter operations to ensure the health and safety of clients with access or functional needs.

#### **Fairview Fire**

- OAFN is working with the CDSS DSB and other partners to ensure access and functional needs are being met as shelters are closed/consolidated.

#### **Mill/Mountain Fire**

- OAFN is promoting local partnerships with community-based organizations, disability stakeholders, and service providers to provide situational awareness and determine unmet needs for ongoing disaster preparedness response and recovery efforts.

### Office of Legislative and External Affairs (OLEA)

- OLEA distributed the Statewide Situation Key Messages containing messaging regarding heat, Flex Alert information, emergency alerts in addition to information regarding Cal OES fire

## Situation Status Report

2022 September Wildfires Event and Tropical Storm Kay

**Report Date:**

**9/12/2022**

**Report Time:**

**1930**

prepositioning and Tropical Storm Kay. OLEA continues to monitor/respond to legislative inquiries.

### Office of Tribal Coordination (OTC)

- OTC continues monitoring following active wildfires, maintaining effective communications with, and coordinating impacted Tribal Nations' unmet needs.
- OTC sends the daily situational report and key messages to all Tribal Nations' Leaders and emergency managers.

### Fairview Fire

- All the mandatory evacuation orders impacted Tribal Nations are lifted and the repopulation is in progress.
- The fire did not impact Tribal land and no unmet needs at this time.

### Cal OES Administrative Region Reports

#### Inland Region

- The Boys and Girls Club (2840 Mallard Lane, Placerville, CA 95667) is offering free daycare to any resident's children that are evacuated starting 09/12/22 until the evacuations are lifted.
